To the Public in General of Barre!

Owing to the abuse of the present credit system and the immense amount of money lost from year to year, we have decided to sell for STRICTLY CASH ON AND AFTER APRIL 1st, 1906, goods to be paid for at our store or when delivered. We take this step believing that the consumer can save from one to five cents per pound on all goods bought from us for spot cash. Watch this space for prices. We take this opportunity to thank you all for past patronage and hope, by strict attention to business, to receive a fair share of your trade in the future.

All those who wish pictures of the interior of the Congregational church please notify some member of the Y. P. S. C. E. within the next few days as Mr. Hay, who furnishes the pictures, is about to leave town and it will be necessary to order them at once.

According to the thermometer the weather was not very cold this morning, the mercury going only down to the zero mark, but a penetrating March wind made the rigor of the weather much more noticeable. Had there been a covering of light snow for the wind to toss about there would have been some of the old-time drifts. But fortunately what snow there is lies packed down hard.

An excellent supper was served by members of the Ladies' Union of the Universalist church last evening to about 150 people, and the viands were cooked just to a nicety. Baked lake trout, with dressing, was the chief order on the menu and was very appetizing. Goodard's seminary girls served as waitresses, and during the supper hour music on the piano was furnished by Miss Cross of the seminary.

The Williamstown correspondent of the Vermont Watchman writes: "Daniel F. Bean whose unfortunate condition has obliged him to ask help in years past, of the town, has been staying at Howard Winchester's home in the year or two. He is now 67 years old and nearly blind. A short time ago he was seized with some trouble of the brain that left him in a bad condition, one arm being paralyzed—so that Mr. Winchester felt he could not care for him longer, and he was taken by Overseer of the Poor George W. Nichols, to the Emergency hospital in Barre.

At the time "Mrs. Wiggs of the Cabbage Patch" was presented in the Universalist church vestry there was not room enough to accommodate all, and city business had to be attended to, also, five caucuses being held on the 'two nights, which detained a great many. It has been requested by a great many that the presentation be repeated, which the committee has decided to do on Friday evening, March 9. So make no other engagements if you want to see the Wiggs family. The programme will be equally as good as before. They will be assisted by the Mandolin club. Remember the date, March 9. Doors open at 7.30; curtain rises at 8. Admission 20 cents.

A Splendid Leather!

Patent finished leathers make beautiful footwear, and in spite of their uncertainty as to wearing qualities they will always be largely worn.

But "there's a new Richmond in the field!" Its name is Gun Metal Calf. In the highest-priced custom-made footwear it is a strong favorite. It is soft and pliable; it polishes beautifully, yet it looks well without polishing; it does not scuff or peel; it wears splendidly and is always reliable.

Many of our smartest new models of "Dorothy Dodd" Shoes are made from this leather. Give us the pleasure of showing them. They are ideal Boots for general wear and are moderately priced.

He was born in Bangor, Maine, in 1861, and came to Barre as a granite cutter in 1880, and removing to Montpelier in 1889 and becoming a member of the well known firm of Dillon & Haley.

James E. Burke of Montpelier, who has returned after serving a 105 days sentence in the house of correction, brands as false much of the testimony given before the state investigating committee recently. He declares the charge that poor food is served is all bosh, and he points to his own increase in weight from 200 to 206 pounds in support of his statement.
